World War Two was from 1939 to 1945.

Germany started the war by invading other countries.

Germany wanted to take control of Europe.

Germans were very unhappy about losing WW1.

Adolf Hitler was the leader of Germany.

He didn't like other groups of people.

He didn't want foreigners in Germany .

He sent Jews living there to prison.

The prisons were called concentration camps.

People in the camps were starving.

Lots of people died in the camps.

At the end of the war prisoners were released.

Winston Churchill was the leader of Britain.

Britain went to war against Germany.

Churchill gave a famous speech on the radio.

The speech gave the British people confidence.

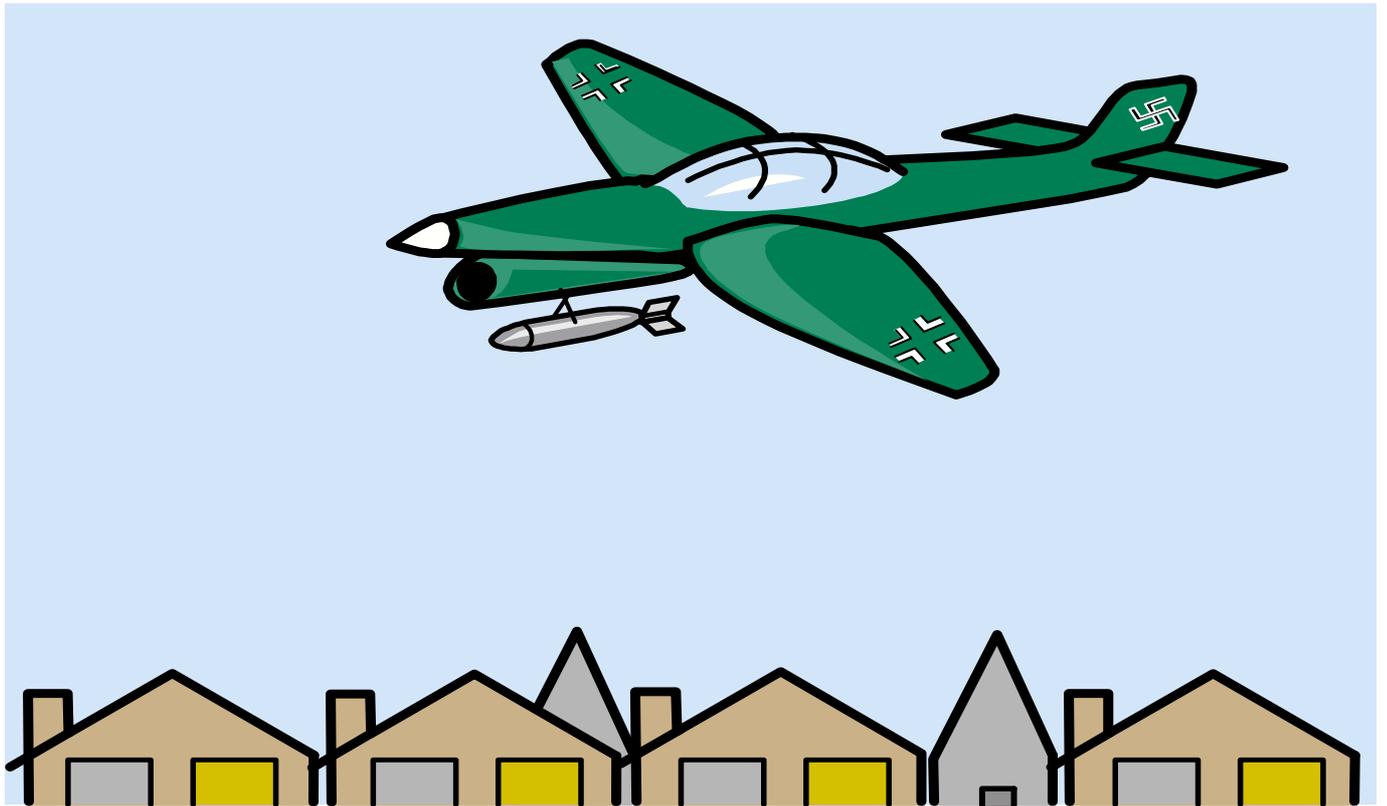

Japan attacked America in 1941.

Japan and Germany were on the same side.

America dropped an atomic bomb on Japan.

Atomic bombs were a new invention.

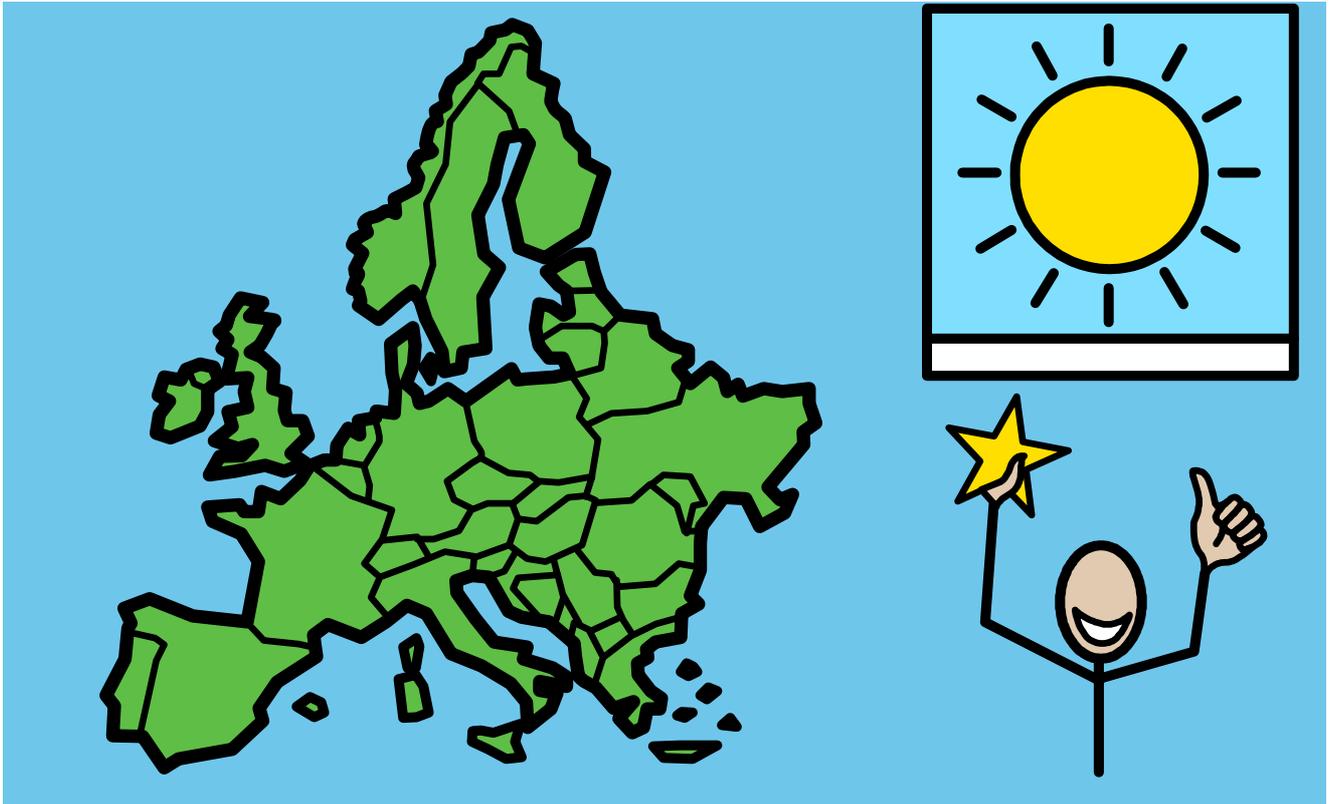

More than 50 million people died in the war.

New weapons caused many deaths.

Bombs were dropped onto cities.

The bombing of Britain is known as The Blitz.

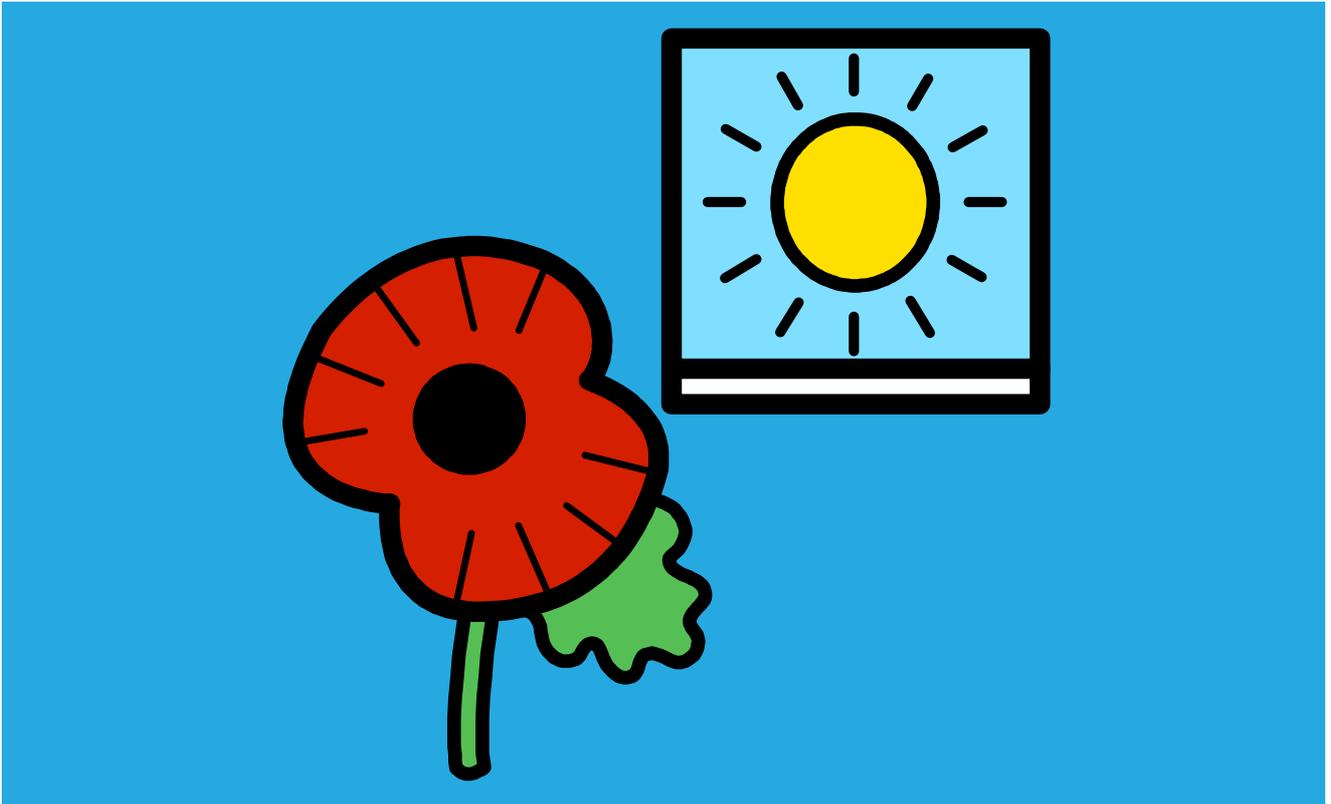

Germany lost the Second World War in 1945.

In May 1945 Germany surrendered.

This day is known as VE Day.

V E means Victory in Europe.

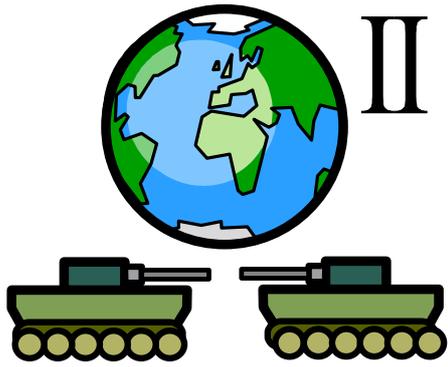

We remember World Wars on Remembrance Day.

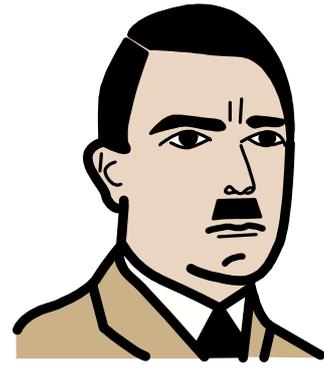

We remember the soldiers that died.

We also think about living in peace.

Remembrance Day reminds us war is terrible.
