A series of Widgit Symbol supported materials on prayer from George Lindley.
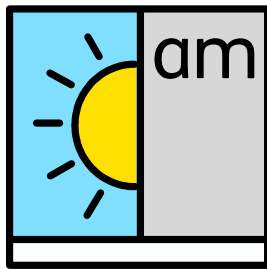

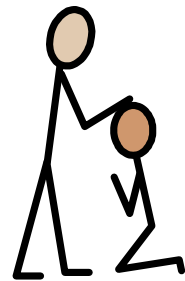

Morning prayer
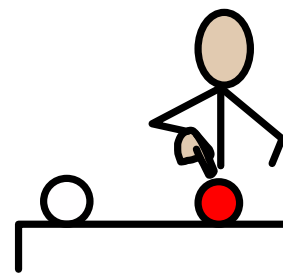

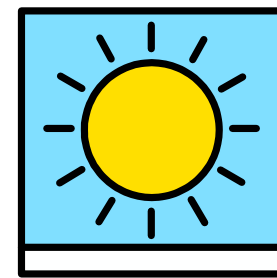

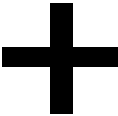

God   bless   this   day

for   me   and   my   friends.
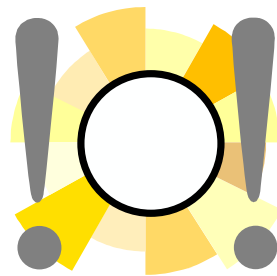

This   is   your   world.

Thank you for giving me

a place in it.
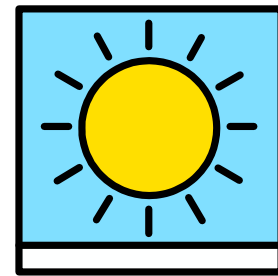

Holy, Holy, holy Lord,

Heaven and earth are

full of your glory.

# Prayer for during the day

Holy   Lord Jesus,

Friend   and   Brother,
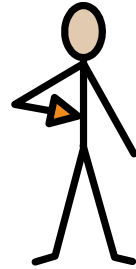

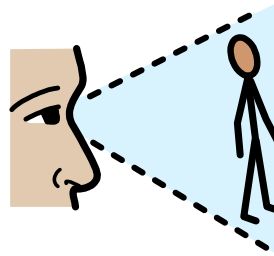

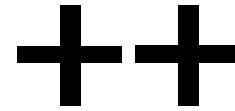

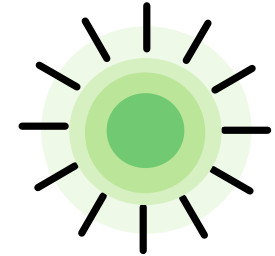

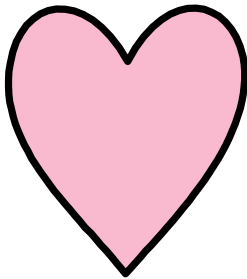

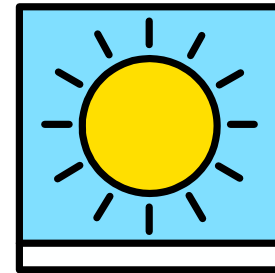

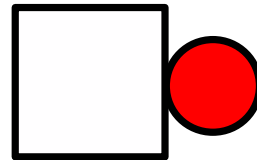

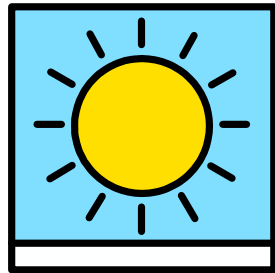

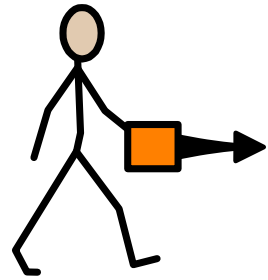

May I see you more clearly,
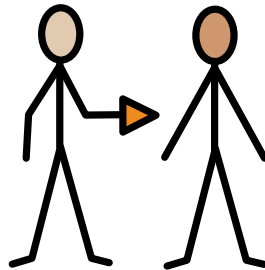

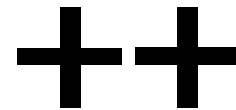

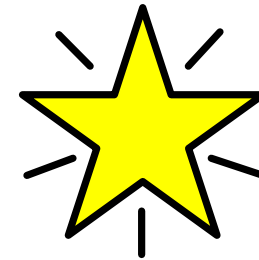

Love you more dearly,
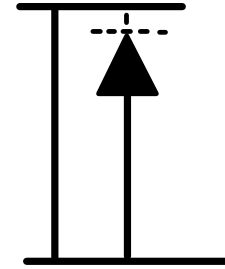

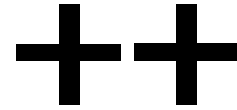

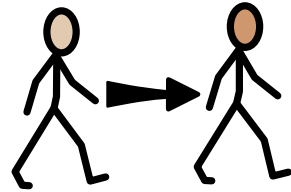

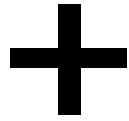

And follow you more nearly,

Day by Day
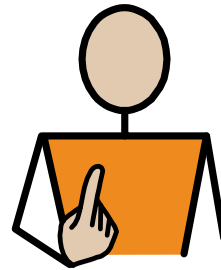

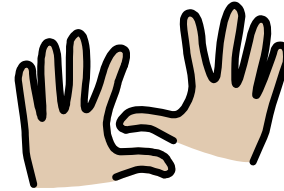

Take my hands;
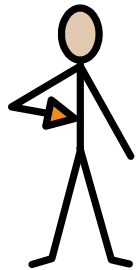

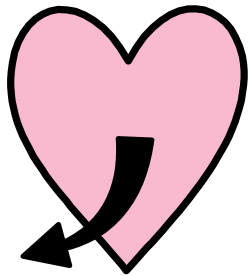

I want them to work for you.
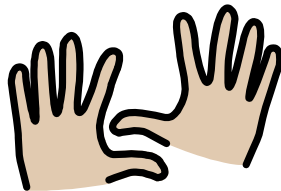

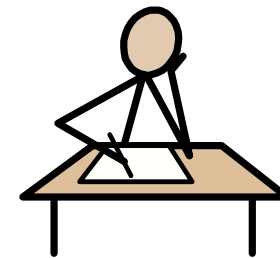

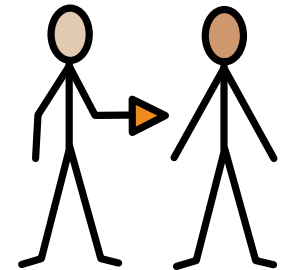

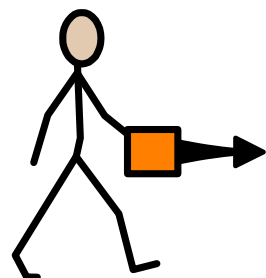

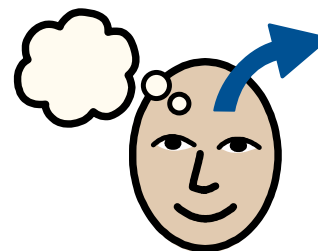

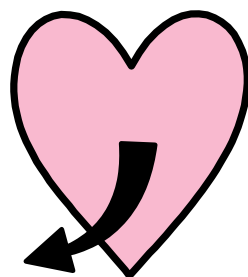

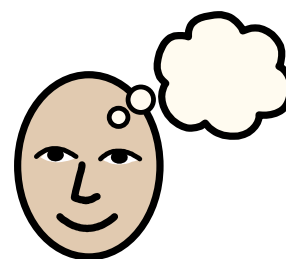

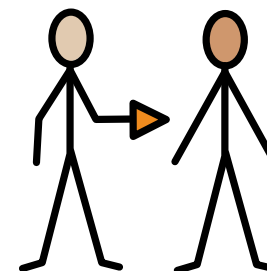

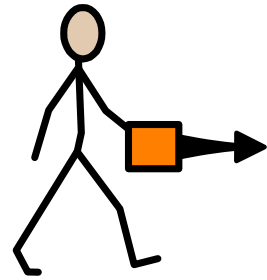

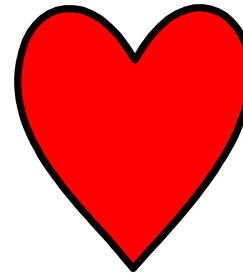

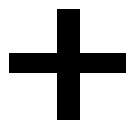

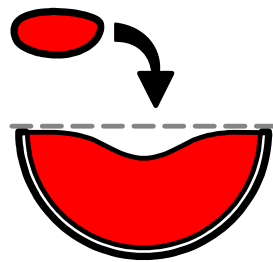

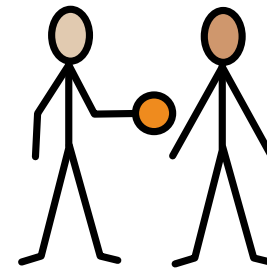

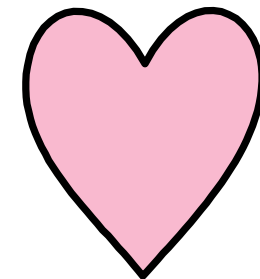

Take my mind;

I want it to think for you.

Take my heart,

and fill it with your love.
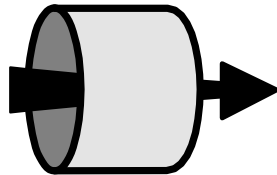

Prayer **at** **night**
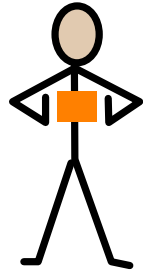

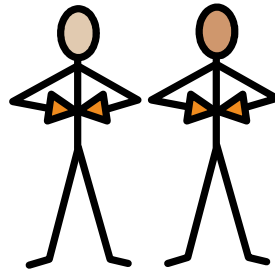

Thank you God
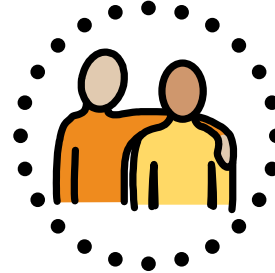

for the day that has passed.
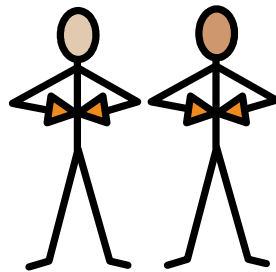

Bless the people who work
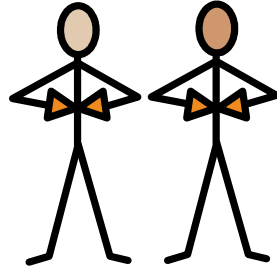

through the night.

Keep us safe

while we are awake,

and guard us

while we are asleep.

While we are awake

help us to know ....

that we are with Christ,

+ and when we are asleep ...

help   us   to   rest   in   peace.

Amen
