

## **Top Cards**

Please note that all information is accurate for each animal.

*For less confident readers, use the colours as a reference.*

## **Possible objectives to target**

### **Year 1**

Identify and name a variety of common animals.

Discuss word meanings, linking new meanings to those already known.

Read numbers to 100 in numerals.

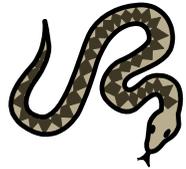

### **Year 2**

Discuss and clarify the meanings of words, linking new meanings to known vocabulary.

Recognise the place value of each digit in a two-digit number.

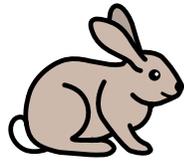

Compare and order numbers from 0 up to 100.

snake

weight - kg	2
lifespan	15
gestation - months	2
Race Position	6th

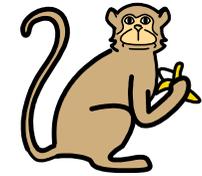

rabbit

weight - kg	2
lifespan	8
gestation - months	1
Race Position	4th

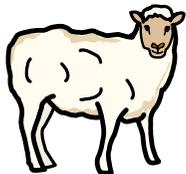

ox

weight - kg	680
lifespan	20
gestation - months	9
Race Position	2nd

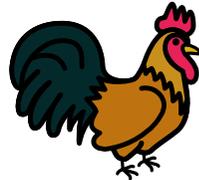

monkey

weight - kg	15
lifespan	20
gestation - months	5
Race Position	9th

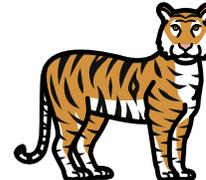

sheep

weight - kg	100
lifespan	12
gestation - months	5
Race Position	8th

rooster

weight - kg	3
lifespan	8
gestation - months	1
Race Position	10th

tiger

weight - kg	250
lifespan	15
gestation - months	3
Race Position	3rd

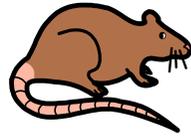

dragon

weight - kg	200
lifespan	500
gestation - months	40
Race Position	5th

panda

weight - kg	100
lifespan	20
gestation - months	4
Race Position	0

rat

weight - kg	1
lifespan	2
gestation - months	1
Race Position	1st

dog

weight - kg	25
lifespan	12
gestation - months	2
Race Position	11th

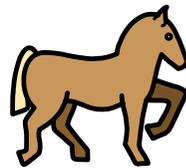

pig

weight - kg	60
lifespan	16
gestation - months	3
Race Position	12th

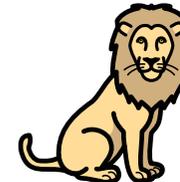

goat

weight - kg	50
lifespan	12
gestation - months	5
Race Position	0

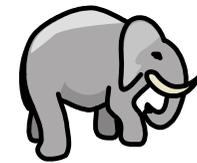

horse

weight - kg	750
lifespan	25
gestation - months	12
Race Position	7th

lion

weight - kg	190
lifespan	14
gestation - months	4
Race Position	0

elephant

weight - kg	4000
lifespan	17
gestation - months	22
Race Position	0
