

**Lost!**

We

were

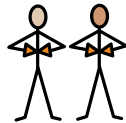

in

the

minibus.

We

were

at

the

town.

Town

was

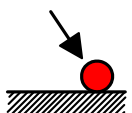

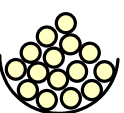

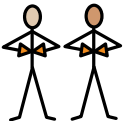

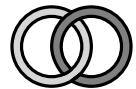

very

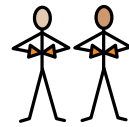

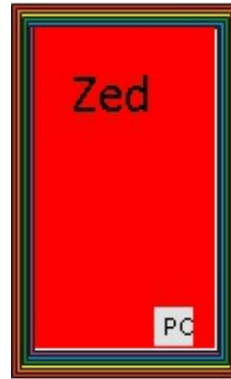

busy.

 = 
 
 lots 
 of 
 
 people 
 shopping 
 + 
 
 lots 
 of 
 
 cars.

 We 
 had 
 to 
 
 group 
 together.
 

 I 
 was 
 walking 
 with 
 
 my 
 
 friend 
 
 John

We

were

looking at

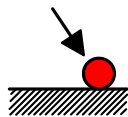

the

shop

windows.

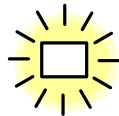

There

=

was

a

new

computer game

in

the

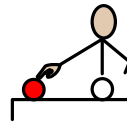

window.

"I

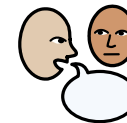

want

that"

I

said.

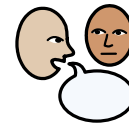

"So

do

I"

said

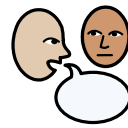

John.

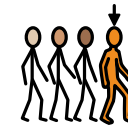

"Hurry

up"

said

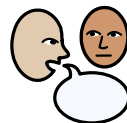

the

leader.

I

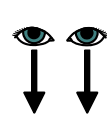

said

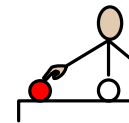

"I

want to

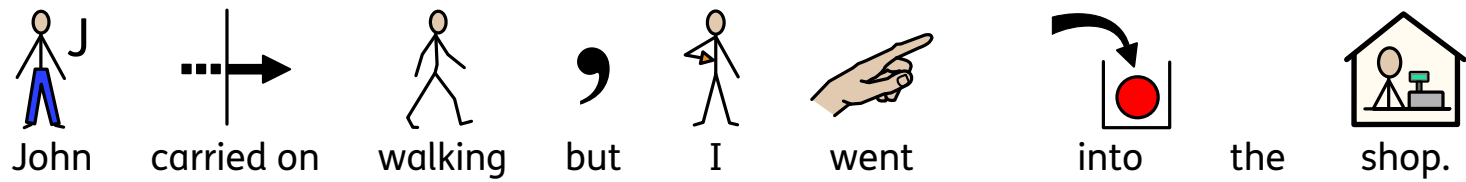

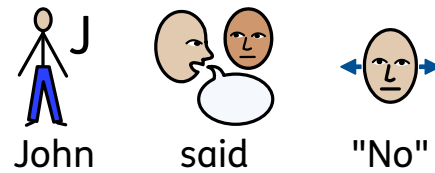

look at

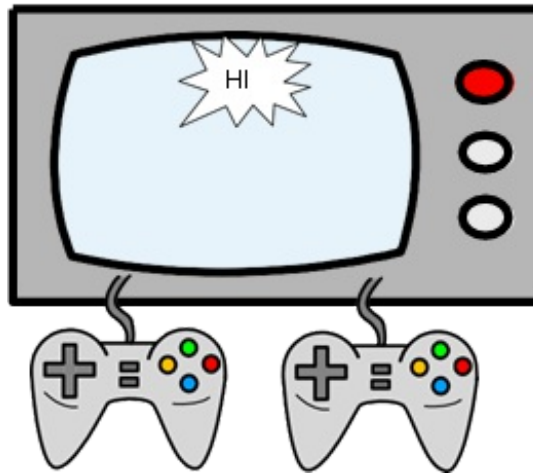

that

computer game".

=

The computer game was fantastic.

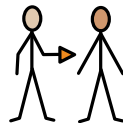

"Can

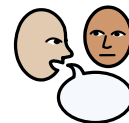

I

help

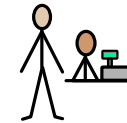

you?"

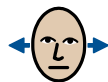

said

the

shop assistant.

"No

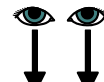

thank you

I'm

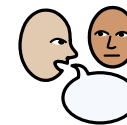

just

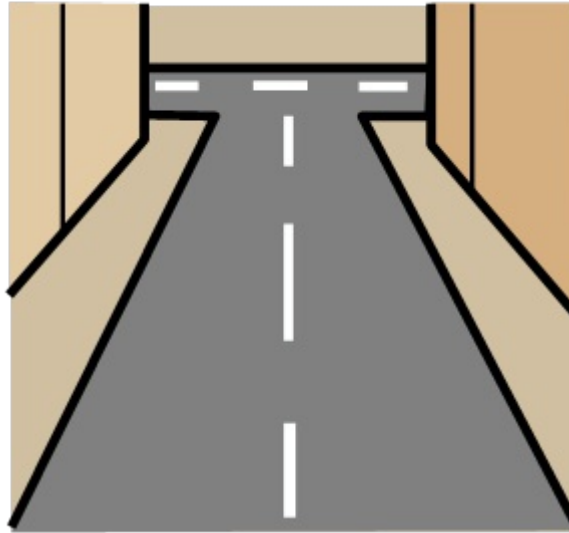

looking"

I

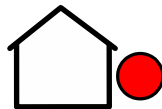

said.

I

went

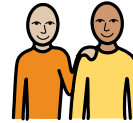

outside

and

my

friends

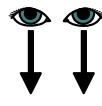

had

gone!

I

looked

up

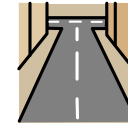

and

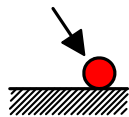

down

the

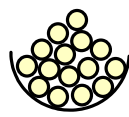

street.

There

were

lots

of

people

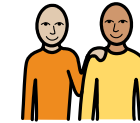

but

not

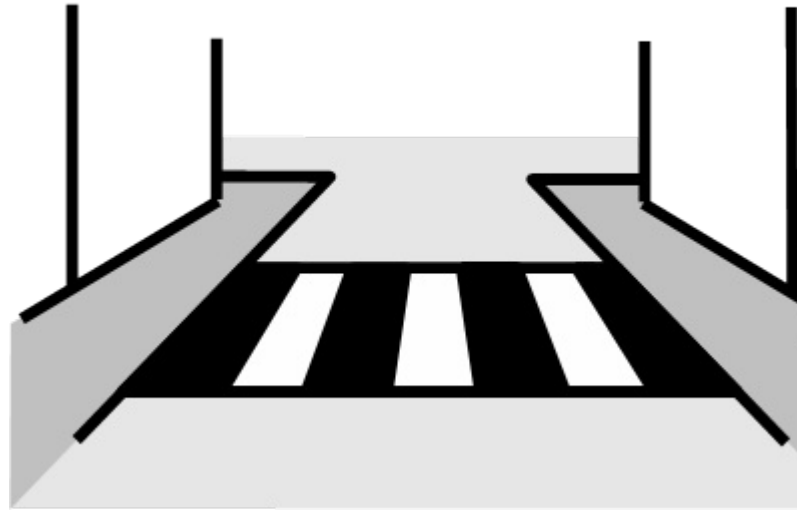

my

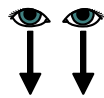

friends.

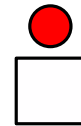

I

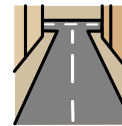

looked

over

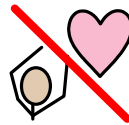

the

street.

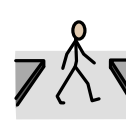

I

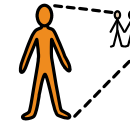

didn't want

to

cross

by myself.

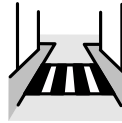

I

saw

a

zebra crossing

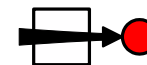

and

I

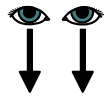

went

across.

I

looked

up

+

and

down

,

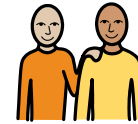

but

couldn't see

my

friends.

I

was

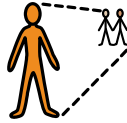

scared.

I

was

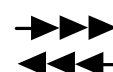

alone

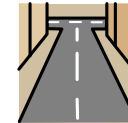

in

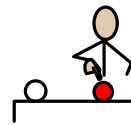

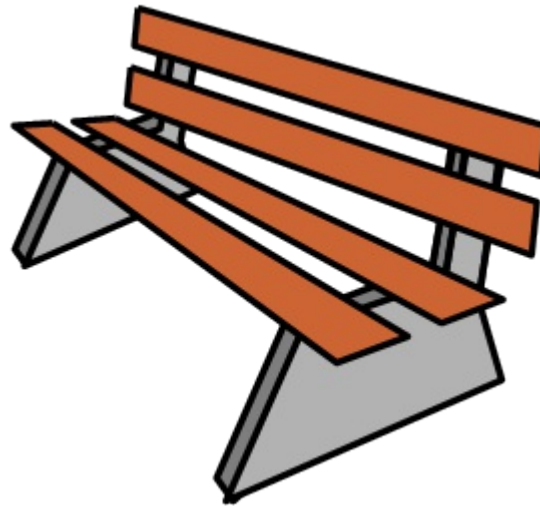

the

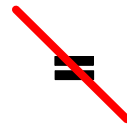

busy

street.

This

was not

funny.

What

could

I

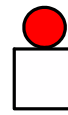

do?

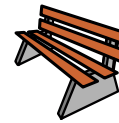

I

sat down

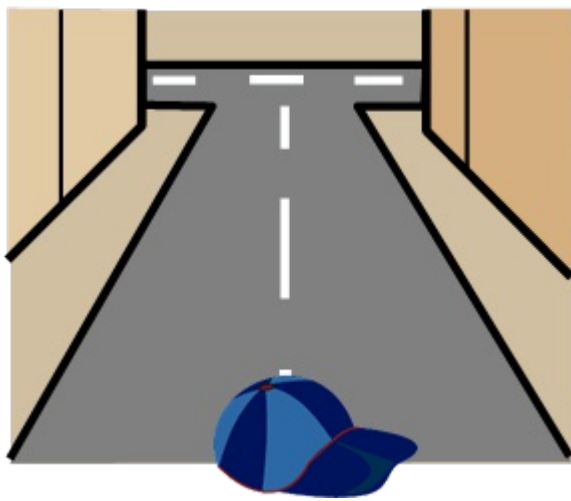

on

a

bench.

I

waited

to

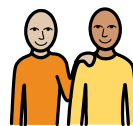

see

if

my

friends

would

come.

Nobody

came.

What

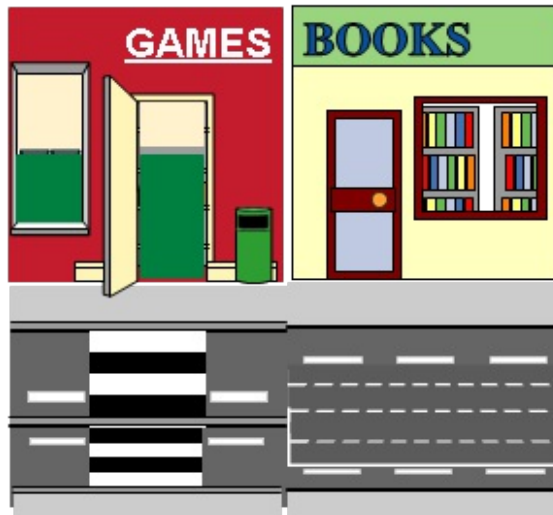

could

I

do?

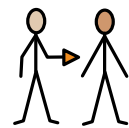

"Can

I

help

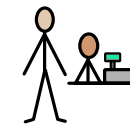

you"

asked

the

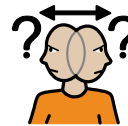

shop assistant.

"I

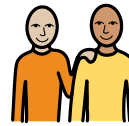

have

lost

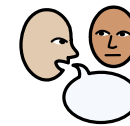

my

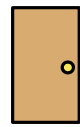

friends"

I

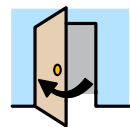

said.

The

door

opened

and

in

came

John

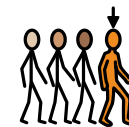

and

the

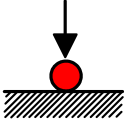

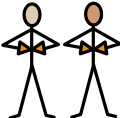

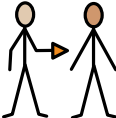

group

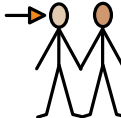

leader.

 = 
 

  
 "Here he is!" John shouted.

  
 "We have been looking for you".

  
 I was very pleased to see them.
