

Autism Support Pack - School

A useful resource to support teachers and carers who work with autistic children.

The pack contains over 140 resources which were created with input from professionals and the autistic community. The resources are categorised according to the 4 Areas of Need in an Education, Health and Care Plan.

1. Cognition and Learning
2. Social, Emotional and Mental Health Difficulties
3. Sensory and Physical Needs
4. Communication and Interaction

Each resource comes with advice on how it can be used to support communication and interaction, engage learners and reduce stress and anxiety.
