

## Early Years Pack and Guide

Symbolised resources designed to support practitioners assisting children in their care across nursery, pre-school and school settings.

The Early Years Pack contains a variety of resources to support Early Years Foundation Stage (EYFS) learning within the seven areas of the EYFS statutory framework, including **Communication and Language, Physical Development and Personal, Social and Emotional Development**, as well as resources to support EAL learners.

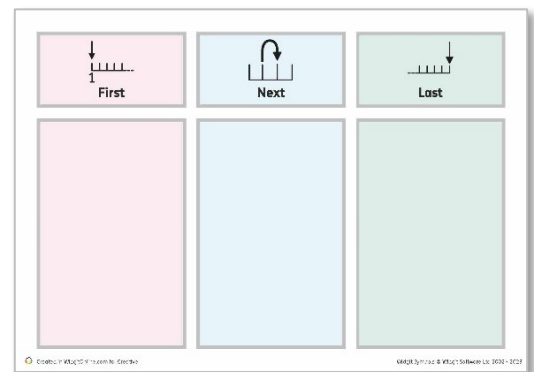

All resources can be customised to meet different needs. To learn more about how to do this, and to get started with Widgit Online, please join one of our FREE training sessions: [widgit.com/products/widgit-online/webinars](http://widgit.com/products/widgit-online/webinars)

## Early Years Guide

### How to build Confident early learners

Widgit has created a dedicated Early Years Guide designed to support children with key aspects of their development, both inside and outside the classroom.

Created by our education specialist team, the guide highlights barriers to learning that may exist for some children and provides hints and tips on how symbolised resources can help.
