

  
Arriving at hospital

  and    
I will go to hospital and go to reception.

  the  that I    
I will tell the receptionist that I have arrived.

     
I may have to wait a while.

 a  who will   and   
I will meet a nurse who will talk to me and my family.

   
**Going to the plaster room**

    
 I will go to the plaster room.

     
 I may have to wait a while.

     
 I will meet the plaster room team.

       
 The plaster team will remove my cast.

     
 They will use special scissors or a cast saw.

       
 The cast saw may be noisy but it won't hurt.

       
 The plaster team may apply a new coloured cast.

## Having an X-Ray

I will meet

a radiographer.

The radiographer

will take me to

the x-ray room.

I

may

need

to lie down

on the x-ray bed.

I

must

keep very still.

The x-ray machine

will

take my picture.

After

my X-Ray

I will

go back

and

Speak

to

the nurse.

I

may

have to wait

a while.

I can

play

while

I am waiting.

I will

Speak

to

the doctor.

The doctor

will tell me

when

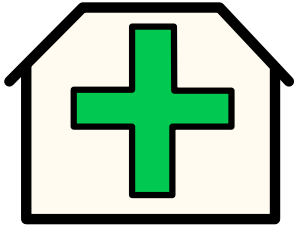

I can

go

home.
