

Zed and the Snowman

Text Book

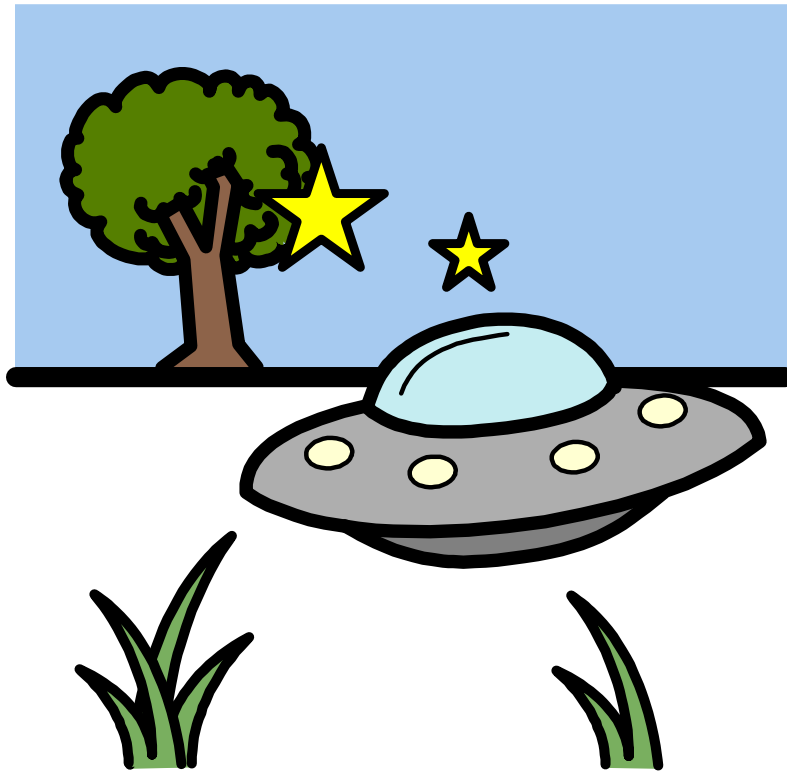

It was winter time on earth.

Lots of snow covered the land.

Zed was going to visit Harry.

He packed lots of warm clothes.

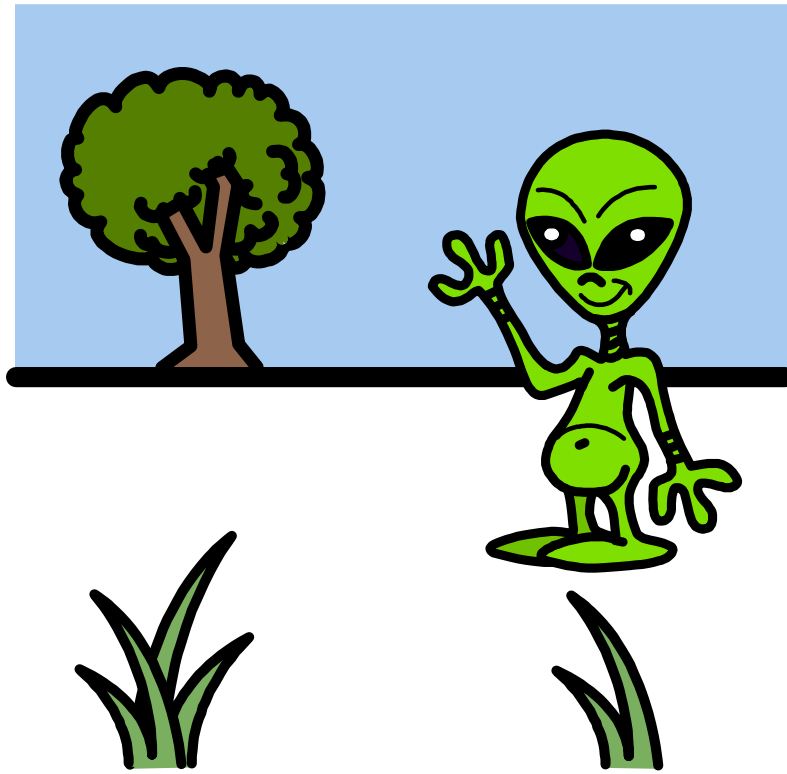

Zed's spaceship landed in Harry's garden.

It slid across the snow-covered grass.

Harry was waiting at the door.

They were so pleased to see each other.

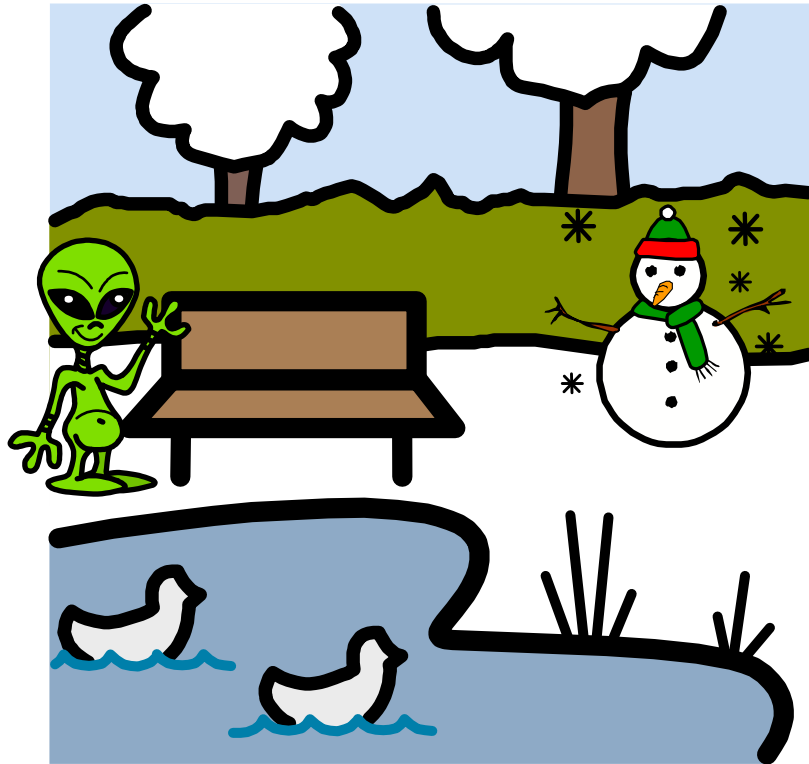

After supper Harry and Zed went for a walk.

Zed was amazed at all of the snow.

This was the first time he had seen snow.

The snow was cold beneath their feet.

They decided to walk to the park.

Suddenly Zed stood still.

He saw something in the shadows.

"What's that?" he cried.

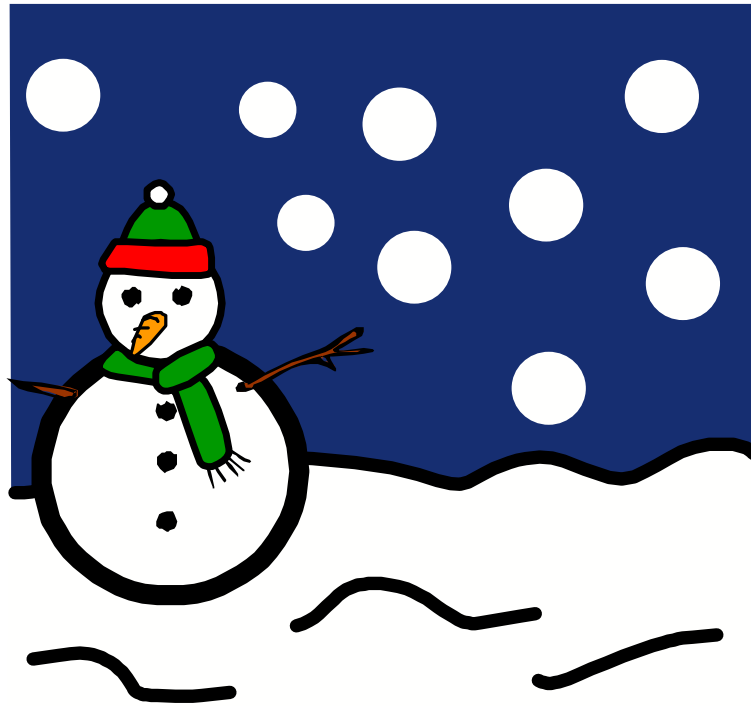

Someone had built a huge snowman.

Zed had never seen a snowman before.

It had a carrot for its nose.

Its eyes were made out of coal.

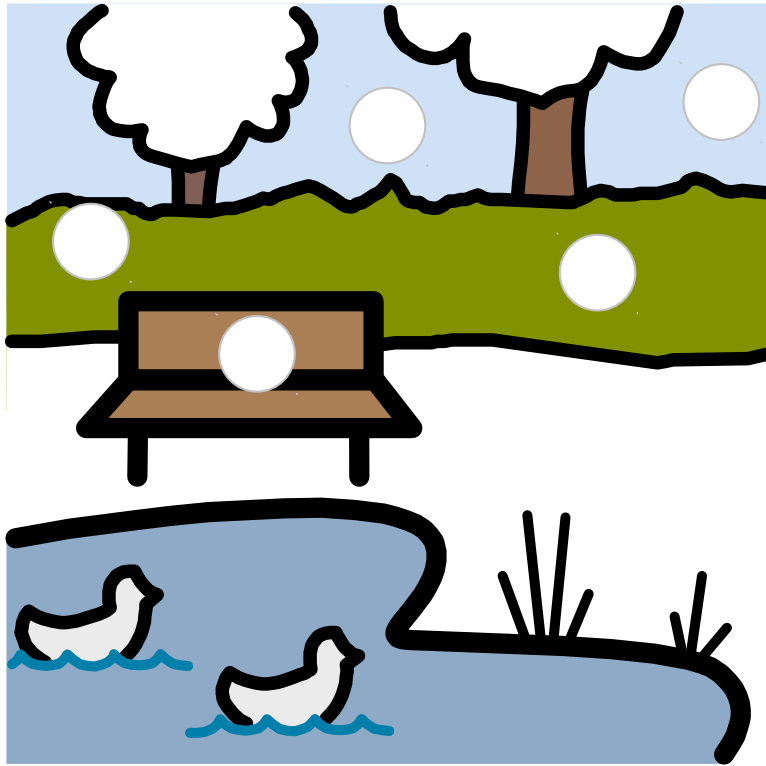

The snowman looked scary in the darkness.

Zed was scared.

"Don't be scared" Harry told him.

"It's not real, it's made from snow."

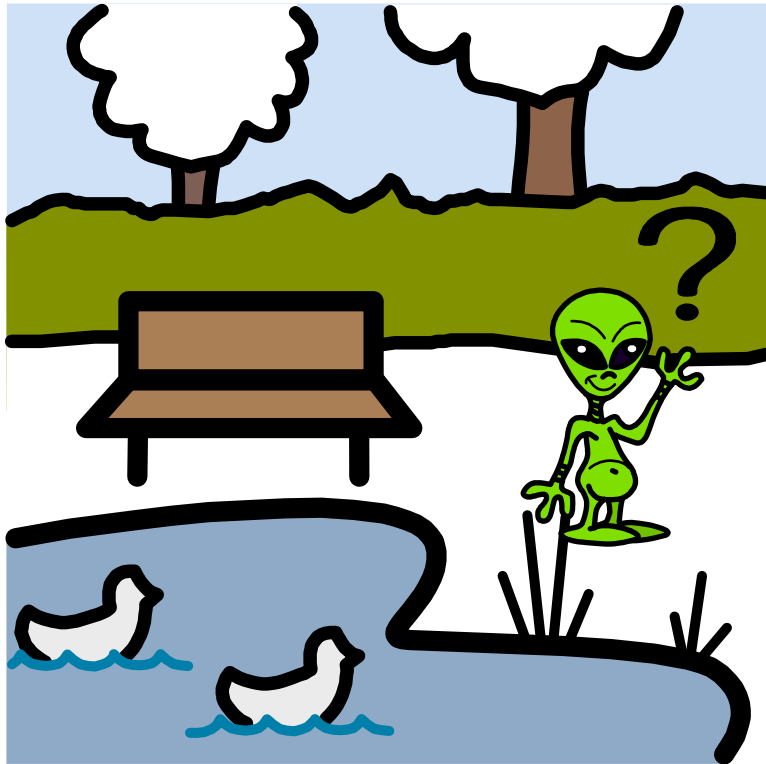

Harry and Zed played in the park.

It was good to have friends Harry thought.

They made snowballs from the snow.

They had fun throwing snowballs at each other.

The next day the sun shone brightly.

Harry took Zed back to the park to play.

Zed looked puzzled.

"Where's the snowman?" he said.

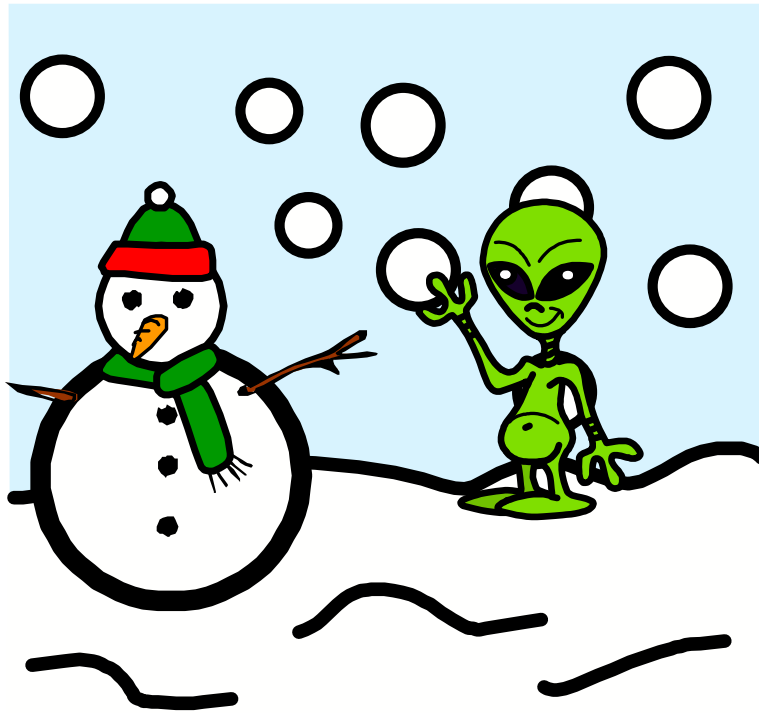

There was a huge puddle on the ground.

The snowman was gone.

Harry explained what had happened.

The heat from the sun had melted it.

Zed was sad because he liked the snowman.

Now it was gone.

Harry held Zed's hand.

"We can build our own," he said.

When they had finished it looked fantastic.

They were pleased with their hard work.

Harry took a photo of the snowman for Zed.

Zed couldn't wait to show his mum and dad.
